

- **Green Smart treated pool and spa water is a far healthier alternative compared to chlorine, salt or other chemical sanitizers.**
- **Pool owners save time and money by not having to purchase and add chemicals to their pool or spa to sanitize the water. Sanitization maintenance of your water involves no chemicals and takes less than 10 minutes per week.**
- **Swimmers do not need to shower or shampoo to remove chlorine or other sanitizing agents from their hair and skin after swimming.**
- **The pool or spa water does not burn swimmer's eyes, dry out their skin, damage their hair or fade their swimwear.**
- **Green Smart pool and spa water does not produce annoying odors and tastes.**
- **The Green Smart Systems have low operating costs - less than \$5 per month.**
- **All Green Smart pool and spa systems carry a 3 year warranty and a 60 day full money back guarantee.**
